

47th Annual Midway Fall Festival

September 18th & 19th, 2021

Presented by the Midway Business Association

Dear Artist/Exhibitor/Food Vendor/Non-Profit,

Thank you for considering the Midway Fall Festival a part of your 2021 calendar. This will be the 47th anniversary of the Midway Fall Festival and we are expecting another large crowd. The 2019 Festival hosted record crowds (estimated at over 19,000), and we have plans to continue with our forward progress this year.

Booth spaces are available on both sides of the street, around the United Bank Lot, on Gratz Street and Dudley. Remember, booth space allocations are heavily weighted in favor of the returning vendors and on a first-come-first-serve basis. All fees have a deadline of June 30th. A \$50.00 per 10 x 10 space penalty will be assessed for applications received after June 30th. The committee reserves the right to reject any or all applications received after June 30th. If you are a first time vendor (meaning you did not participate in the 2019 festival), you will increase your chances of acceptance by applying early. Another benefit of applying early is the greater your chances are of receiving your prior year's space. To inhibit excessive duplication of similar products and to ensure that only quality hand-crafted items are exhibited at the festival, we will require at least three photographs of your items. Acceptance notices and setup information will be emailed as soon as possible after the June 30th deadline, making it pertinent you provide your correct email address on your application.

We hope you can be part of the 47th Annual Midway Fall Festival. If you have any questions, please e-mail us at elisha@midwayfallfestival.com or call Elisha Holt @ (859) 940-2742.

Midway is located 12 miles from Lexington and 45 minutes from Louisville, KY. We're conveniently located 1.2 miles from I-64 off Exit 65. Midway was created as Kentucky's first railroad town in the mid 1800's and was a stopping point for steam locomotives to refuel and take on water. Midway remains as an active railroad community much the same as it did 150 years ago. The railroad tracks parallel the downtown businesses with both sides of the track lined with quaint shops and restaurants, including numerous antique stores, boutiques, and galleries that allow anyone a relaxed day of shopping. Whether your taste buds prefer homemade Kentucky hot brown, or fresh homemade desserts, Midway's restaurants have it all.

Sincerely,
Elisha Holt
